SAGUARO

What is the problem?

- What's making the saguaro go extinct?
- How do the saguaros live?
- How long do they live and where do they live?
- How tall do saguaros grow?
- What does a normal saguaro look like?

Why is it important?

- How does the saguaro affect the environment?
- Food.
- Shelter for birds.

How are we helping to solve the problem?
